

NEW BEGINNINGS

10 SESSIONS ON LEARNING
HOW TO BEGIN YOUR WALK
WITH CHRIST

Although the authors have organized the sessions in the order they feel is best, you may complete the 10 class sessions in any order you choose but you should complete this introductory session before you start your first content session.

Disclaimer

- All materials in this course are the creation of the authors. Any similarity to other published materials is accidental.
- You are free to copy any portion or all of this material, use it as a study course with a group or individually with the following restrictions:
 1. You may not charge any type of fee for its use.
 2. You may not use it in any way that conflicts with its stated intent.

About this Course

- This course is designed for new Christians as a means to help them in beginning their walk with Christ.
- It may also be used with more mature Christians as a refresher course designed to produce agreement on several fundamentals of the Christian walk.
- Any other use violates the intent of the authors of this material.

On-Line Use

The authors of this course strongly recommend that you join a live class for this course because there is great benefit in learning in a group setting where you can interact with other learners and the leaders. This on-line version is offered for those who CANNOT for some reason join a live class.

Additional Information

- The Authors of this course do not claim to be anything other than regular people with 50+ years of being Christians who want to help you get started on your walk with Christ. We do not have all the answers just a wealth of experience.
- This course does not include everything you will ever need to know to walk with Christ. It is intended to get you started with some basic assurances and principles every new Christian needs.

Questions

If you have questions about the content or concepts presented you may e-mail those questions to the following:

The authors will respond from their own knowledge and experience or from the wealth of resources available to them.

Materials Needed

- Pencil or pen.
- Notebook paper or printouts of the pages from each session as needed to suit your style of learning.
- A Bible. The New Living Translation is preferred for this course. *
- For convenience you may want to make a copy of the table of contents from your Bible to help with finding scripture references more easily.

Finding Scripture References

If you are not familiar with how scripture references are listed you may need to print this information out.

John 3:16 means the book of John, chapter 3, verse 16

Psalms 119:3, 7-10 means the book of Psalm, chapter 119, verse 3 and verses 7-10

Luke 15:1-5; 16:20,27 means the book of Luke, chapter 15, verses 1-5 and then chapter 16 verses 20 and 27
